Vinton, Iowa 52349

Dear Mr. Greif:

Transportation Services Division (TSD) of the General Services Department is in receipt of your correspondence received by Governor Martinez's Office regarding ELIO Motors. In reviewing the information associated with this product, I found it quite interesting and can understand your excitement.

TSD will forward the information you provided to our Motor Vehicle Division so that they can review the possibility of addressing legislative changes needed to change the classification of this particular vehicle.

We will continue to monitor the progress made by this company as it makes its way into the marketplace. State of New Mexico is always looking for ways to increase our operational fleet efficiencies while ensuring that our workers are safe. Elio Motors maybe one of potential solution to meet these objectives on smaller scales.

Sincerely:

A handwritten signature in blue ink that reads "James P. Chavez".

James P. Chavez
Deputy Director

Transportation Services Division
