PROCEDURE # TL-67	SUBJECT: CERTIFICATE OF TITLE REQUIREMENTS FOR TRI-VEHICLES
<p style="margin-left: 40px;">6. A vehicle structure certified by the vehicle manufacturer to meet the requirements of Federal Motor Vehicle Safety Standard No. 216, "Rollover crush resistance" (49 C.F.R. s. 571.216).</p> <p>Section 316.0741, Florida Statutes, adds the tri-vehicle to the definition of an inherently low-emission vehicle.</p> <p>Section 320.08(2), Florida Statutes, adds the tri-vehicle to the base tax table identifying the registration tax amount for each category of motor vehicle/tri-vehicle.</p> <p>II. GENERAL INFORMATION</p> <p>A. A tri-vehicle has the body type of 3W and the description of tri-vehicle.</p> <p>B. A tri-vehicle is registered and taxed in the same manner as an automobile. Calculate the fees like a regular auto using the appropriate motor vehicle class code based on the net weight and registered use of the tri-vehicle.</p> <p style="margin-left: 40px;">A tri-vehicle should be entered in FRVIS as follows: Vehicle type = AU and Body type = 3W. Enter the appropriate Reg use code.</p> <p>C. A tri-vehicle is an inherently low-emission vehicle (ILEV). Therefore, it may be driven in an HOV (high occupancy vehicle) lane.</p> <p>NOTE: A tri-vehicle is not a motorcycle. FRVIS will not allow this vehicle type to be entered as the body type for a motorcycle (MC).</p> <p>D. A manufacturer, importer, distributor, or dealer of tri-vehicles must be licensed. The Bureau of Field Operations (BFO) Dealer Licensing Section will verify tri-vehicle applications from manufacturers, importers, and distributors with NHTSA. As tri-vehicle manufacturers, importers, distributors, and dealers are licensed, BFO will approve the line makes, and these vehicles will be captured as tri-vehicles in FRVIS.</p> <p>NOTE: Only NHTSA-approved tri-vehicles from authorized manufacturers, importers, and distributors may be titled and registered.</p> <p>III. MISC. INFORMATION</p> <p>A. For insurance requirements, refer to RS-36.</p> <p>B. Exhibit A provides examples of tri-vehicles.</p>
